Student Prospectus

Sydney Institute of Traditional Chinese Medicine is a registered business name of
Sydney Institute of Health Sciences Pty Ltd | ABN 30 100 578 836

Level 5, 25 Dixon Street, Sydney, NSW 2000 | PO BOX K623, Haymarket, NSW 2000
P: (02) 9281 1173 | F: (02) 9212 0712 | E: administration@sitcm.edu.au | www.sitcm.edu.au

Dear prospective student,

The *Sydney Institute of Traditional Chinese Medicine* is a registered business name of Sydney Institute of Health Sciences Pty Ltd ABN 30 100 578 836 and has been providing Traditional Chinese Medicine courses and qualifications in Australia for over twenty years. It is a progressive institution, established to promote the growth and development of a broader system of health delivery encompassing complimentary and Traditional Chinese Medicine (TCM) within our community and the health profession.

The Institute aims to produce primary health care practitioners who practice their profession in a safe, effective and responsible manner within the framework of the Health Care System.

The training provided by the Institute is designed to empower graduates to serve the community in a variety of ways, such as, through primary health care, ongoing education programs, and working alongside other therapists in various clinical settings.

The Institute fosters open-mindedness and commitment to high ideals, providing an environment in which students may develop the habits of continuing self-education and self-fulfilment through service to others. Graduates are empowered to work in a professional and ethical manner and to raise community confidence in the Health Care System.

Lecturers at the Institute have undergone formal clinical training in China, Australia, Poland and the United Kingdom. They have been in education and clinical practice in Complimentary Medicine, Nursing and TCM for many years. Some of them enjoy widespread recognition as leaders in their field.

Our staff thrive on the challenge of continuous improvement by providing recognised competency based material and the latest technology.

The Sydney Institute of Traditional Chinese Medicine extends a warm welcome to you to experience a professional, friendly and supportive environment at one of the Australia's longest established and most respected institutions of TCM.

We sincerely hope, and we will endeavour to ensure that your time at the Institute is memorable and productive.

Yifan Yang
Principal
Sydney Institute of TCM

Advanced Diploma of Traditional Chinese Medicine (91133NSW)

(Dual Modalities of Acupuncture and Chinese Herbal Medicine)

Course Overview

This course is aimed to provide participants with the necessary knowledge, attitudes, and skills to practice Traditional Chinese Medicine with the therapeutic delivery methods of Chinese herbs and acupuncture (including needling, moxibustion and cupping techniques).

Course Duration

Nominally, this course takes 4 academic years, structured in either full-time or part-time modes (Part-time study is not available to overseas students). This course is undertaken in an institution based situation with a large component of clinic practice included. All course participants will also attend a practical internship in a Chinese TCM hospital for a period of eight to ten weeks (additional fees applicable).

Career Opportunities

Attainment of this qualification may lead to opportunities to become health care practitioners who are capable of operating safely and effectively as unsupervised, primary-contact, health-care practitioners of Traditional Chinese Medicine in general practice who specialise in either acupuncture or Chinese herbal medicine or both.

Entry Requirements

Domestic Students:

Pre-requisites for entry into this course are:

- Students must be over 18 years of age,
- Students must have a NSW Higher School Certificate or interstate equivalent

Potential students are expected to have a keen interest in health care, especially in Traditional Chinese Medicine, and are required to pass an interview to satisfy the Institute of their aptitude to undertake the required studies. There is also a provision for mature age students 21 years or over with a history of work experience or study which shows an aptitude to submit themselves to regimented study patterns.

International Students:

Pre-requisites for entry into this course are:

- Students must be over 18 years of age,
- Students must have an overseas equivalent of the NSW Higher School Certificate
- Students must have an IELTS score of 5.5 or above and must provide documentation to that effect.

Each individual application will be based upon information supplied to the Sydney Institute of Traditional Chinese Medicine on their application form.

Assessment

Students are assessed by:

- A half-semester examination and regular tests, written assignments, research projects, and case studies based upon data collected by the student in clinical practice.

- o An end-of-semester (end-of-unit) written and practical examination testing work covered in the whole of the semester, which will comprise of not more than 60% of the student's semester results.

Articulation

On completion of this qualification you may be able to gain advanced standing in various bachelor degrees being offered at such universities as University of Western Sydney, University of Sydney, University of Technology Sydney and RMIT University Melbourne.

How to Apply

Please contact Sydney Institute of Traditional Chinese Medicine by phone, fax or email with the subject line ADTCM.

Transfer of Fees

No fees will be transferred to other external institutions or persons.

Cancellation & Refund policy

1. If an application for a student visa is rejected for an international student applying for enrolment from offshore, then all course fees will be refunded in full provided that documentary evidence is supplied within fourteen (14) days of visa rejection. The course enrolment fee will not be refunded.
2. If a student withdraws from a course and supplies the Institute written notification of more than 28 days before the course commencement date, 80% of the total course fees paid will be refunded. The course enrolment fee will not be refunded.
3. If a student withdraws from a course less than 28 days before the course commencement date, 60% of the total course fees paid will be refunded. The course enrolment fee will not be refunded.
4. If a student withdraws from a course at anytime after the commencement date of the course No Refund will be made.
5. As a member of the ACPET OSTAS, if we are unable to fulfil our obligations to complete a course, the international student will be offered a no cost enrolment into another ACPET OSTAS member Institute.
6. All requests for refund must be made in writing. We undertake to make payment of all refunds within 28 days of receipt of a written application for refund.

Refunds Paid If SITCM defaults:

1. On the offered course does not start on the published or agreed starting day.
2. On the a course that stops being provided after it starts and before it is completed or if a course is not provided fully to the student because we have had a sanction imposed by either VETAB or DEST under either and or the AQTF and the ESOS Act 2000.
3. We will pay a full refund to all international students within two weeks after the default day. We will provide all students with a statement that explains how the refund amount has been calculated.
4. Students are not permitted transfer course fees to another student.
5. Students cannot transfer to another course at another institution within the first twelve months of commencement of a course.

Note: The refund policy is subject to review from time to time. Please check the current refund policy before accepting an offer. "This agreement, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia's consumer protection laws for unpaid and overdue fees."
