GRADUATION AND AWARDS POLICY AND PROCEDURE

1. Overview
The purpose of this policy and procedure is to define the rules for the issuing of AQF\(^1\) awards once a student has completed a course of study with Sydney Institute of Traditional Chinese Medicine ("SITCM").

This policy is designed to align to the AQF Qualifications Issuance Policy\(^2\).

2. Eligibility to graduate and approval to issue a Higher Education award
The Associate Dean will monitor student progress and verify that a student has satisfactorily completed all the requirements of the higher education course in which they are enrolled before recommending to the Teaching and Learning Committee that a student be awarded a qualification. The Teaching and Learning Committee will compile a list of students who are eligible to graduate and table the list at an Academic Board meeting. Upon advice from the Academic Board, the Board of Directors will approve the issuing of the awards.

Following approval by the Board of Directors, the Registrar will create the necessary documentation as detailed in Section 4.

Students who have an outstanding debt to SITCM shall not be permitted to receive their award until such debts have been paid.

Students who are enrolled in a higher qualification but have completed the requirements of a nested award within that qualification are not eligible for the award of the nested qualification unless they withdraw from the course in which they are enrolled. Following the withdrawal the student will be eligible to graduate with the highest nested qualification for which they have completed all course requirements.

Students will be advised in writing of their eligibility to graduate. Students will be given an opportunity to nominate whether they will attend a graduation ceremony or graduate in absentia (refer also section 6).

2.1 Certification
A student who is enrolled in a higher education qualification and has successfully completed all the requirements for the qualification is entitled to receive the following certification documentation upon award of the qualification:

- A Testamur.
- A Record of Results.

A student who has successfully completed part of the requirements of an AQF qualification in which they were enrolled but have subsequently withdrawn are entitled to receive:

- A Record of Results.
