Student Review Procedures for Re-crediting a FEE-HELP Balance

1. **Overview**

Sydney Institute of Health Sciences Pty Ltd trading as Sydney Institute of Traditional Chinese Medicine ("SITCM") will conduct this procedure in compliance with:

- the *Higher Education Support Act 2003* and the Higher Education Provider Guidelines; and

For the purposes of this procedure a student is an Australian citizen or an Australian resident permanent humanitarian visa holder:

- enrolled in a higher education course with SITCM; or
- enrolled in a VET unit of study which forms part of a VET FEE-HELP enabled course with SITCM.

For the purposes of this procedure a unit of study includes:

- a unit of study which forms part of a higher education course; and
- a VET unit of study which forms part of a VET FEE-HELP enabled course.

- VET FEE-HELP enabled courses of study offered by SITCM are:
  - HLT50307 Diploma of Remedial Massage
  - HLT50112 Diploma of Traditional Chinese Medicine Remedial Massage (An Mo Tui Na)

SITCM will:

- set a census date for each unit of study that is no earlier than 20% of the way through the unit of study;
- ensure that all students are informed of the census date for each unit of study in the manner and by the date prescribed in the Higher Education Provider Guidelines and VET Guidelines 2013;
- ensure that all students are informed of the review procedures for the re-crediting of a FEE-HELP balance.

2. **Special Circumstances**

If a student withdraws from a unit of study after the census date for that unit of study, or has been unable to successfully complete a unit of study, and believes this was due to special circumstances then the student may apply to have their FEE-HELP balance re-credited for the affected units of study.

SITCM will re-credit the student’s FEE-HELP Balance if it is satisfied that special circumstances apply where:

- these circumstances were beyond the student’s control; and
- these circumstances did not make their full impact on the student until on, or after the census date for the unit(s) of study in question; and
these circumstances were such that it was impracticable for the student to complete the requirements for the Unit in the period during which the student undertook or was to undertake the unit.

SITCM will be satisfied that a student’s circumstances are beyond the student’s control if a situation occurs that a reasonable person would consider is not due to the person’s action or inaction, either direct or indirect, and for which the student is not responsible. The situation must be unusual, uncommon or abnormal.

Each application will be examined and determined on its merits by considering a student’s claim together with independent supporting documentation substantiating the claim.

Initial applications for the re-crediting of a student’s FEE-HELP balance are to be made, in writing, to the Student Support Officer and sent to: Sydney Institute of Traditional Chinese Medicine, PO Box K623, Haymarket, NSW 2000.

The procedure for the re-crediting of a FEE-HELP balance is as follows:

a) when a student withdraws from a unit of study, SITCM shall confirm the withdrawal by giving notice to the student in writing stating the date at which the withdrawal has taken effect;

b) when a student fails to meet the requirements of a unit of study, SITCM shall confirm the failure by giving notice to the student in writing of the final result for that unit of study after results for the unit of study have been properly approved;

c) the student must apply in writing to the Student Support Officer within 12 months from the date specified in the notice as the day of withdrawal or the date of receiving their final results for the unit of study. SITCM may exercise its discretion to waive this requirement if in its opinion it was not possible for the application to be made before the end of the 12 month period. The written application must also include supporting documentation that demonstrates that the requirements for special circumstances have been met.

d) The Student Support Officer will consider the application and will agree to such requests if they are satisfied that there were special circumstances in the student’s case;

e) If the application is successful, SITCM will re-credit the student’s FEE-HELP balance with an amount equal to the amounts of FEE-HELP assistance that the student has received for the affected units of study and the student’s FEE-HELP debt or VET FEE-HELP debt for those units of study will be removed;

f) The Student Support Officer shall advise the student of the outcome of the application within 28 days stating the reasons for the decision;

g) The Student Support Officer shall also advise the student of their rights for a review of the decision if they are not satisfied with its outcome and that a request for such a review must be lodged within 28 days from the day of receipt of the decision or such longer period as the Student Support Officer allows.
