### **Plagiarism and Assessment Misconduct:**

*Plagiarism is the use of another person's work and or idea, as if it is your own. The other person may be an author, critic, lecturer or another student. When it is desirable, or necessary, to use other people's material, take care to include appropriate references and attribution – do not pretend the ideas are your own. Be sure not to plagiarise unintentionally.*

*Any student found to be breaking the above mentioned rule shall be dealt accordingly to the Institute guideline.*

### **Student Declaration:**
