## Overview

This guide shows a selection of units from other education providers that are likely to receive unconditional CPL at SITCM. However, this list is only a guide and does not guarantee any application outcomes. For more CPL information, please refer to our *Credit for Prior Learning Policy and Procedure*.

### How to Read this Guide:

- When 1 SITCM unit is linked to 2 units from a previous provider, an applicant will likely receive unconditional CPL for the SITCM unit if they have completed both units from the previous provider.  
*In the below table, an applicant will likely receive unconditional CPL for HMS101 if they have completed BIOH111 and BIOH122.*

Unit of previous provider	SITCM unit
BIOH111 Human Biological Science 1	HMS101 Human Anatomy 1
BIOH122 Human Biological Science 2	

- When an SITCM unit appears twice in a table, an applicant will likely receive CPL for the unit if they meet the requirements of either place where it is listed.  
*In the below table, an applicant will likely receive unconditional CPL for HMS102 if they have either completed BIOH111, BIOH122 & BIOO211, OR completed BIOH111, BIOH122 & BIOB111.*
