#### PURPOSE AND SCOPE

The aim of this policy is to:

- Establish the criteria for acknowledging and supporting the previous formal and informal learning of applicants.
- Ensure that credit granting is applied equitably, consistently and is transparent.
- Clearly detail the application process for credit for prior learning.

This policy applies to applicants for the Bachelor of Traditional Chinese Medicine (BTCM) at the Sydney Institute of Traditional Chinese Medicine (SITCM).

## 1 OVERVIEW

The Sydney Institute of Traditional Chinese Medicine (SITCM) is committed to open and accessible guidelines for granting credit towards units of study based on prior learning, whether from formal studies or professional work experience. This policy is designed to maximise the credit applicants can gain for learning already undertaken and preserve the integrity of learning outcomes of the Bachelor of Traditional Chinese Medicine (BTCM).

This policy is informed by the *Higher Education Standards Framework (Threshold Standards) 2021*, specifically 1.1.2.b Admission, and 1.2 Credit and Recognition of Prior Learning. It incorporates the best practice guidelines of the *AQF Qualifications Pathways Policy* of the *Australian Qualifications Framework*.

## 2 POLICY

### 2.1 AWARDING OF CREDIT

#### 2.1.1 GENERAL PRINCIPALS

- 1) Credit for prior learning is only granted if:
  - a. The applicant is not disadvantaged in achieving the Bachelor of Traditional Chinese Medicine (BTCM) course learning outcomes; and
  - b. It does not undermine the integrity of the BTCM.
- 2) Entry to the BTCM course is based on specific published entry criteria and decisions regarding student selection will be in accordance with the *Student Admissions Policy and Procedure*.
- 3) An offer of credit does not guarantee admission into the BTCM course.
- 4) The total credit granted for prior learning external to SITCM shall not exceed 70% of the total credit points required for the BTCM for which credit is sought.
- 5) SITCM's Internal Articulation Program (IAP) for the Advanced Diploma of Traditional Chinese Medicine has been terminated and, due to inadequate overlap of learning outcomes, graduates of that course are not eligible for credit for prior learning towards the BTCM.
- 6) No credit may be granted towards SITCM's BTCM from any course below AQF Level 5.
- 7) The maximum amount of credit that can be granted towards SITCM's BTCM from an AQF Level 5 course (e.g., a Diploma course that meets all requirements of Section 2.1.2, including learning outcome alignment) is in all circumstances limited to 25%.
- 8) The maximum amount of credit that can be granted towards SITCM's BTCM from an AQF Level 6 course (e.g., an Advanced Diploma course that meets all requirements of Section 2.1.2, including learning outcome alignment) is in all circumstances limited to 37.5%.

#### 2.1.2 CREDIT FOR FORMAL STUDIES

- 1) Credit may be granted for the successful completion of:
  - a. Units which form part of an accredited tertiary education course provided by a recognised tertiary education institution.
  - b. Non-award courses offered by a recognised higher education institution.
- 2) Credit is granted where there is substantial overlap with content, volume of learning and learning outcomes of a SITCM unit(s) for which credit is claimed.
- 3) Credit can only be used for one specific unit and not for incomplete or parts of units.
- 4) Credit can only be granted from an original unit.
- 5) Credit will not be granted for a clinical component of a unit.
- 6) Credit will not normally be granted for formal study completed more than ten (10) years prior to application unless there is evidence of continued relevance of this study and it meets the criteria outlined in Section 2.3.1 (Credit for Formal Studies).
  - a. Continued relevance of study is usually on the basis of relevant professional work experience.

## 2.2 CREDIT AWARDED

- 1) Units that have been granted credit for prior learning will receive a result of 'AS' (Advanced Standing) on their transcript.
- 2) No marks or grades will be recorded for units where credit for prior learning has been applied.
- 3) The credit will appear on the applicant's transcript once the credit for prior learning fee has been paid.
